Re: ACLT Bone Marrow, Blood, Organ Donor Registration Drive

On behalf of the ACLT charity and all blood cancer/disorder sufferers around the world awaiting life saving stem cell transplants we would like to offer our sincerest 'thank you' to 'Team Silimanjaro' for allowing the ACLT to raise awareness and increase the numbers of potential stem cell donors and blood and organ donors at the Comedy Gala.

In total we signed up 72 new potential stem cell donors and many attendees took away 'Donate for Daniel' application forms to consider donating blood at a later date and to join the organ donor registry. Great result!

Warmest regards from all of us at the ACLT
